

TEXAS BOYS RANCH

Important Information about the 45th Annual Telethon

Dear Friend,

We sincerely hope this letter finds you well. Who would have thought just a few months ago that our world would become as different and uncertain as it is today. The same holds true for the near future- it is hard to say at this time what events and gatherings may or may not be able to take place in the coming months. These difficult times have presented some challenges for us at Texas Boys Ranch, as they may have for you as well.

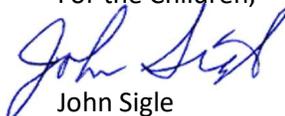

One of those challenges was having to decide if we would be able to put on our 45th annual telethon. Taking our current and future situations into account, however, and after much thought and deliberation, we are excited to announce that the 45th Annual Texas Boys Ranch Telethon will be taking place on August 8th this year! Of course, we will have to make some changes in order to ensure everyone is safe and that we are following all suggested precautions and guidelines. If you view the telethon from home, you can be assured that you will enjoy the same great program that our friends at Fox34 have helped us put on in years past. Unfortunately, there will not be the opportunity to invite our friends in the community to see the show live.

Even though we are excited about moving forward with the telethon, like many, we are still concerned about the coming months. You, our faithful supporters, stepped up in the last couple of months and made sure none of the children you help us serve missed one single blessing that together we are able to provide for them on a regular basis. We entered this time of uncertainty with concern but also with prayerful confidence. Confidence that God would provide and confidence that our partners like you wouldn't let us down. Thank you for helping!

Our annual telethon is our only internal fundraiser of the year and without the funds raised from the telethon we would not be able carry on our valuable work effectively. Concern for the future is still our constant companion and we fear that if we aren't able to raise the usual funds from the telethon the future will be challenging for us. Many businesses support TBR through the telethon and many of those businesses are hurting right now too. Because of this, we will be relying on donations from all of our community friends more than ever before.

We at Texas Boys Ranch continue to pray for our community, our country, and the world as we all deal with the challenges we are faced with today. Please pray for us and our precious children too. If you are able, we ask that you continue supporting our telethon if you have been a faithful giver. We ask that you consider giving again if you gave for the telethon at some point but not in a while. We ask that if you have never given to Texas Boys Ranch before, you prayerfully consider doing so for our 45th annual telethon. Also, please ask your friends, your church, or your civic organization to watch the telethon and to consider giving as well. We need your support now more than ever. If our dear friends in the community fail to step up and help, we fear there may be a very real possibility that Texas Boys Ranch and the children we serve will be in for tough times, however, we are confident we can count on you today as we have been able to count on you in the past. Please use the included reply card to mail in your donation or go to www.texasboysranch.org to give online. Together, we will get through this trying time.

For the Children,

John Sigle

PS: Don't forget, you can donate anytime by mail or online! You don't have to wait for the telethon to air.
