

Supper Club

We welcome groups and individuals who would like to bring a meal out to any of our four cottages.

Bringing a meal to our cottages is such a blessing of both time and food. Imagine cooking three meals a day for at least ten people. Between preparing the meal, cooking the meal, and cleaning up after the meal, each meal can take almost three hours.

When you bring a meal out to TBR, you are not only blessing the children and houseparents with a great meal, you are giving our houseparents more time with their children.

You can commit as often as you are able.

Our children are so blessed by your donation of time and energy.
